MAY CREATE A COMMISSION

PLAN FOR STATE SUPERVISION OF RACING IN CALIFORNIA TAKES SHAPE.

Committees of Legislature Take Favorable Action on Two Measures Differing in Detail But With Identical Object in View.

Sacramento, Cal., March 16.—Progress is being made by the Legislature on the two bills designed to create a state racing commission for California. The Public Morals Committee of the Assembly has amended the Bobnet bill, on the initiative of Assemblyman A. Shragia of San Francisco, so as to legalize race meetings of twenty-five days instead of the fifteen days originally proposed. This amendment had the support of C. T. Boots and other breeders who have been working at Sacramento in the interest of the racing commission plan. Assemblyman Shragia intends to propose a further amendment providing for the legalizing of pari-mutuel betting at such meetings, when the report of the committee comes before the Assembly in a day or two.

The Senate Judiciary Committee has reported favorably on a bill introduced by Senator Campbell of San Luis Obispo providing for fifteen-day meetings under the authority of a state racing commission. No betting may be done by anyone, but owners may hang up purses or prizes according to the provisions of this measure, which prohibits any connection between the race meetings and any pool-room. The bill is designed to allow owners of fast horses to associate themselves for the purpose of holding speed competitions. The purses may be raised among the owners in order to stimulate interest. The state racing commissioners are to hold office for four years. They will be five in number, appointed by the governor.

CARMAN CAMPAIGN TO BEGIN IN KENTUCKY.

New York, March 16.—Richard F. Carman has returned from his two-months vacation in California. Mr. Carman is highly pleased with the condition of his horses that wintered at Belmont Park. The big string of thirty-three, with the exception of Paradise Queen and Achieve, will be put into active training immediately. Arrangements will be made within a few days toward having both of the mares named mated with desirable sires.

Mr. Carman is particularly well pleased with Meridian's appearance. The son of Elmstick has improved in every way since he went into winter quarters. The Turk moves with a snap and vim that is gratifying to his owner, who expects this crackling good son of Heno to be in the top division of the four-year-old class.

Bonnie Kelsie, which has raced consistently since his two-year-old, will come to the races a good horse again this year.

Horizon, the three-year-old daughter of Hastings—Fond Hope, and Starbottle, another Nursery-bred horse, have taken on flesh.

The eleven two-year-olds in the Carman collection are a choice lot. California Queen, Lady Sapphire, Sherlock Holmes, Doctor Watson and Inspector Lester have been nominated for stakes to be run in the Blue Grass state.

Mr. Carman has decided to begin his season's racing at Lexington April 29. Horses of quality in this barn have been liberally entered in the Kentucky stake events, and with a continuance of good training weather, the Carman horses will be ready for their engagements.

George Archibald has been signed to ride the Carman horses this season.

While in Los Angeles Mr. Carman met Charles L. Harrison, former owner of Meridian, Housemaid, Waldo and other high-class racers. Mr. Harrison has a two-year-old sister to Housemaid that he has named Parlor Maid. Sue Smith, the dam of Meridian, was mated with August Belmont's Rock Sand last spring.

Mr. Carman visited Santa Anita Park just before he left for New York. Several owners are resting their horses at that track. Among the number are Henderson and Hogan, with a stable of sixteen, mostly two-year-olds. Early Wright is freshening a half dozen horses that he campaigned at Oakland. The Wright lot will be raced in the east this summer.

JOCKEY CLUB LICENSES GRANTED.

New York, March 16.—At a meeting of the stewards of the Jockey Club, Joseph Marrone, who has been in the bad graces of the governing body since the St. Joseph affair at Benning, was again denied a license to train. The application of Jockey Guy Burns, who is in bad standing at Jacksonville, was held up.

The application of Roy Estep to cancel the contract between George P. Sherman and himself was denied and the assistant secretary was instructed to warn J. W. Flynn as to harboring Estep, and call his attention to Rule 152 of the rules of racing.

The appeal of J. C. F. Jacoby from the rulings of the stewards of the summer meeting of the Saratoga Association in disqualifying his horse Imitator, was referred to the stewards of the summer meeting of the Saratoga Association, 1910.

Several applications to register names were granted and the following licenses were ordered issued:

ELEVEN STAKES FOR WINDSOR TRACK.

Windsor, Ont., March 16.—The Windsor Fair Grounds and Driving Park Association has announced eleven stakes for this season, an increase of four. All will be of greater value than heretofore. The opening day Frontier Handicap has been increased to \$2,500 and the others increased \$200 each.

JOCKEY M'TAGGART IN WINNING FORM.

Distinguishes Himself By Piloting the Winners of Three Successive Races at Moncrief Park.

Jacksonville, Fla., March 16.—There was a decided drop in the temperature at Jacksonville this afternoon, but despite the cool weather a large crowd turned out to witness the sport at Moncrief Park. Secretary McLennan furnished an evenly balanced program and most of the races provided keen sport, with driving finishes and small winning margins.

The closest finish of the afternoon came with the running of the fifth race, in which Inferno Queen came from behind to score in the final stride by a nose from Sureget. Tom Holland was third, another head away. The finish was so close that the result remained in doubt until the official placing was displayed.

Catesby Woodford furnished the winner of the opening race in his Ethelbert colt, Colonel Holloway, which made a runaway affair of the race to win easily by a length from the favorite, Little Dutch. When offered for sale here a couple of weeks ago, it was impossible to get a bid for Colonel Holloway, but after his victory today, Albert Simons stepped out and ran up the Woodford colt \$400.

Colonel Holloway was protected and bought in. Bertis, winner of the second race, was also boosted by Mr. Simons. Entered for \$700, his owner was forced to bid \$1,505 to retain the colt.

Tommy McTaggart had the mount on Colonel Holloway and Bertis, and also piloted the winner of the third race, The Mont.

Samuel Ross' Derby candidate, Dr. Duenner, showed good form in the feature race, a seven furlong allowance affair, for three-year-olds. Dr. Duenner was ridden by J. Deavenport, made all of his own pace and beat Aldrian a length in a mild drive.

Between the races J. W. Schorr's candidates for the Florida Special, Aymer and Tom Hayward, worked a mile and a quarter in 2:12. The first mile was covered in 1:44. The probable starters in the big race include Donald Macdonald, Countess, Bob R., King's Daughter, Aymer, Tom Hayward, Effendi, The Jagger, Governor Gray and Milton B. Jockey Pickens arrived from Tampa this morning and will remain for the rest of the meeting.

Henry Freysinghausen, better known as "Little Henry," and Bill Beverley were among the new layers that cut in this afternoon. Gene Austin and Ben Meyer dropped out.

FOLLIE LEVY EQUALS JUAREZ RECORD.

G. M. Odom's Fleet Filly Wins Feature of Mexican Card—Action Taken to Stop Rough Riding.

El Paso, Tex., March 16.—Ladies' day and a promising card contributed to a fine attendance at the Juarez races today. The feature race was an allowance affair at five and a half furlongs, which had attracted a notable field of sprinters. The race was marred to some extent by withdrawals. Follie Levy's presence apparently being the cause. She was installed a hot favorite and in the running overtook the fleet Fern's Trick with ease and won easily in time which equaled the track record of 1:05 for the distance made by Napa Nick recently.

The success of three favorites and a well backed second choice gave the public some relief from the results of the preceding few days.

There has been much rough riding of late that the stewards took action this afternoon and suspended jockeys Parker and Moore for five days, besides fining them each \$25. The offense calling for this action took place in the fifth race, in which Butter Ball was the victim of "herding" tactics.

Jockey Molesworth, who has been riding in exceptionally good form of late, had but three mounts today and succeeded in winning with all of them.

George Odom, regretting the recent sale of Sporting Life, reproached him from Dr. Higgins, who had acquired the horse at public auction.

Owner R. J. Mackenzie has appointed "Canada Jack" Adkin trainer of his stable, while E. Whyte goes to Canada to take up some promising youngsters. The Mackenzie racers now here will be shipped to Jamestown.

H. R. Brandt left today with Harrigan and others for the Kentucky tracks, the horses not being eligible to any of the remaining stakes to be run here.

THE WINANS HORSES IN ENGLAND.

A few years ago the American millionaire, Mr. Winans, came over to England and created quite a sensation with his splendid teams of coach and saddle horses and trotters, and to a man so passionately fond of horses of every breed it was only natural that he should soon become the owner of some high-class thoroughbreds. In selecting a trainer he showed all the wisdom of his race, and he preferred the long, practical experience of a man like J. Cannon to the smattering of knowledge which the new school of trainers gain as they go along.

It was very pleasing to see such a fine return to a lane of fortune as has been the case the last two years, and it is quite possible that but for the falling of Sir Martin in the Derby of 1909 the most coveted race would have fallen to his share. In the Coronation Cup Sir Martin beat a field of good horses, though any idea of his being of the highest class was shattered when Bayardo quite outstrode him in the Ascot Gold Cup.

Sir Martin is now getting over the curious skin disease which brought his career to an end after Ascot last year. Handicappers, however, take a somewhat harsh view of his merits, and though he is undoubtedly a smart horse up to a mile he may never be able to carry 126 pounds to victory in a big handicap. Mustapha could not win the City last year with 117 pounds or the Cambridgeshire with a similar weight, and a line through Bachelor's Double and old Dean Swift seems to show that 122 pounds for Sir Martin should be the limit.

Dalmatian cost Mr. Winans a goodly sum in America last year, and was sent over to Cannon's during the summer. He is a dark brown colt by Ethelbert, and as nearly as I can tell stands sixteen hands. He is a little up on the leg, perhaps, but has good length and quality. His action is not bad, but he does not seem to have any power in his strokes, and the Americans think that why so many of their horses fail to reproduce their form is because of the different state of the going. Mr. Winans, I hear, finds that his trotters do not get anywhere near their time, and I do not for a moment think that Dalmatian will have the slightest chance in any handicap at the weights allotted him, unless he alters vastly.

The story about which there is an absurd rumor that he is a good horse, has in reality never yet run even, and I found him on Saturday morning

walking and trotting about with The Valet along-side of Grandage Road. He is a very fine horse indeed, but Disguise, but almost a black, with two white hind heels. He is by no means lacking in quality, but like all big horses untrained to his age he has assumed a somewhat coachy appearance, and he will take a lot of training.

Goldbeater, which came over with him, is of very different type, being a dark bay gelding by Adam, a little on the leg, and a little short, with a somewhat short neck, but he is a lolling galloper, that might strike up into something fairly useful. A moderate lot of two-year-olds last year was bound to destroy the crop of three-year-olds, and it is to be hoped that the young ones will this season prove much better. There is an own brother to Sir Martin which should race and two other Americans by Prince of Melbourne and Hamburg. The English-bred ones are by Mintagon (2), Wolf's Crag, Fowling-piece, Missel Thrush, Mauvezin, En Garde and three by Veles, one or two of which should show some promise. Whatever they are, they will be made the most of, as there is no better trainer living today than Joe Cannon. "Warren Hill," in Sporting Life.

AN INVALUABLE RACING PUBLICATION.

The American Racing Manual for 1911, recently issued, is a better book than any of its predecessors, having been enriched by the addition of various new features, while at the same time all the old features are retained. Its new features include a thorough presentation of the interesting and timely subject of pari-mutuel calculations with examples; a complete tabulation of the winning two-year-olds of 1910, arranged under their respective sires; and a list of the officials and locations of the various racing organizations of the United States, Canada and Mexico. This publication, which is annually in great demand among those interested in the turf, is an excellent and low-priced book of 442 pages, holding information obtainable in no other publication. It is simply a mine of records. Among the old features retained are:

English Racing Records to Date.

Records at All Distances of the Tracks of the United States and Canada.

MARGERUM was outpaced early, but worked his way up on the outside and finished gamely. TRAYMORE ran forwardly to the stretch and tied in the final drive. HYNICKA ran moderately well only. GUS HARTRIDGE quit badly. The winner, entered for \$400, was bid up to \$895 and bought in.

FORT WORTH was much used in racing DARLING into defeat and tied in the final drive. DARLING held on gamely to the end. OLD BOY closed a big gap and finished close up.
